"FIRST LOVE

"If you go to him-that thief-you've got to leave us. And once you do, you ceases to be our daughter!" That was the bitter choice Tad O'Donnell gave his daughter on the day he discovered her secret. Pride! The pride of a young girl in her new-found love-which drove her to break home ties and home hearts! The pride of a stern father who thought he was doing right by his daughter! Pride-which breaks hearts and desolates homes! And this oung girl—just as millions of other young girls have done when First Love knocked at their hearts-let her heart choose. Here is a drama that will grip your heartstrings. These are your neighbors! People you know! A father and mother and daughter—and the man.
